

Reassessment Week Instructions

Name _____ PER _____ DATE _____

Please note that Mr. Solis will have tutoring on **Monday, Tuesday and Wednesday** of this week for students who have an NP in the class. Students with a C or B will be able to reassess and raise their grade during class time.

Here is what has to be done prior to requesting a reassessment:

1. The Interim 2 must be completed (Show Mr. Solis the screen confirming you've submitted the test)
2. Go to tajimasolis.weebly.com → Integrated Math 1 → Ch.4 Review
3. Copy correct solutions to your Ch.4 Quiz from earlier this week
4. Complete a Quick Check for **SIDB6a** (*if you scored less than a 4*)

If you completed the Quick Check successfully...	If you didn't know how to start the Quick Check Problem...	If you just made a few small errors
<input type="checkbox"/> Ask Mr. Solis for a reassessment that will change your grade!	<input type="checkbox"/> Copy notes from the Weebly (Ch. 4 Review)	<input type="checkbox"/> Complete practice on the Weebly (Ch.4 Review) Copy problems in your practice notebook!

5. Select the next standard you are going to reassess
 - a. It must be from Ch. 3 (unless you submitted the Thanksgiving HW)
 - b. You may reassessment more than one

Mr. Solis recommends you start with _____

6. Complete a Quick Check for **the standard selected above**

If you completed the Quick Check successfully...	If you didn't know how to start the Quick Check Problem...	If you just made a few small errors
<input type="checkbox"/> Ask Mr. Solis for a reassessment that will change your grade!	<input type="checkbox"/> Copy notes from the Weebly (Ch. 4 Review)	<input type="checkbox"/> Complete practice on the Weebly (Ch.4 Review) Copy problems in your practice notebook!

If you are done reassessing,

- a. Complete the notes and Practice for **NQA1** (it will be the first standard of next semester)
- b. Complete the *NQA1 Quick Check*
- c. Complete the *Algebra Vocabulary Puzzle*
- d. Complete the *Desmos Art Assignment*
